Hello Donna,

Can you send this in for a number? Attached is a pdf showing the present location of the pontoons. We will be issuing a Right-of-Entry (23 #) for salvage in order for them to remove the pontoons from state lands.

Lindie,

Attached is the JARPA that Paul submitted. I'm wondering if it would not be better to cut the scrap in place, capturing the debris of course, then remove the pieces in ¼'s on a barge.

Let me know what you think, thanks.
